Good morning! I hope everyone is having a great time at the conference.

Thank you all again for helping out with the ISTE TEN Playground tomorrow morning, Wednesday, June 26.

It's in Playground area A, in the "Grand Hall," which is right across from where you picked up your registration badges when you got to ISTE. The first half hour (9:00-9:30) will be the Technology in Action Awards presentation, which features videos created by teachers. Please come if you can! The remaining time slots are all approximately one hour each. I've attached a link to the schedule, so you can see when your station presentation starts.

We seemed to have a lot of interest in the Playground at Sunday's PLN Fair, so I'm hoping we'll have a good crowd! Please talk up the Playground and give it a plug on your social media!

I'm looking forward to meeting you tomorrow! Let me know if you have any questions.

Peter
